1 AMENDMENT TO HOUSE BILL 2529

2 AMENDMENT NO. _____. Amend House Bill 2529 as follows:

3 on page 49, line 6, after "utility", by inserting "other than a
4 combination utility"; and

5 by replacing line 12 on page 49 through line 4 on page 51 with
6 the following:

7 "(1) if this amendatory Act of the 98th General
8 Assembly takes effect on or before June 15, 2013, the
9 following subparagraphs shall apply to a participating
10 utility other than a combination utility:

11 (A) if the Commission has initiated a proceeding
12 pursuant to subsection (e) of Section 16-108.6 of this
13 Act that is pending as of the effective date of this
14 amendatory Act of the 98th General Assembly, then the
15 order entered in such proceeding shall, after notice
16 and hearing, accelerate the commencement of the meter

1 deployment schedule approved in the final Commission
2 order on rehearing entered in Docket No. 12-0298;

3 (B) if the Commission has entered an order pursuant
4 to subsection (e) of Section 16-108.6 of this Act prior
5 to the effective date of this amendatory Act of the
6 98th General Assembly that does not accelerate the
7 commencement of the meter deployment schedule approved
8 in the final Commission order on rehearing entered in
9 Docket No. 12-0298, then the utility shall file with
10 the Commission, within 45 days after such effective
11 date, a plan for accelerating the commencement of the
12 utility's meter deployment schedule approved in the
13 final Commission order on rehearing entered in Docket
14 No. 12-0298; the Commission shall reopen the
15 proceeding in which it entered its order pursuant to
16 subsection (e) of Section 16-108.6 of this Act and
17 shall, after notice and hearing, enter an amendatory
18 order that approves or approves as modified such
19 accelerated plan within 90 days after the utility's
20 filing; or

21 (C) if the Commission has not initiated a
22 proceeding pursuant to subsection (e) of Section
23 16-108.6 of this Act prior to the effective date of
24 this amendatory Act of the 98th General Assembly, then
25 the utility shall file with the Commission, within 45
26 days after such effective date, a plan for accelerating

1 the commencement of the utility's meter deployment
2 schedule approved in the final Commission order on
3 rehearing entered in Docket No. 12-0298 and the
4 Commission shall, after notice and hearing, approve or
5 approve as modified such plan within 90 days after the
6 utility's filing;

7 (2) if this amendatory Act of the 98th General Assembly
8 takes effect after June 15, 2013, then each participating
9 utility other than a combination utility shall file with
10 the Commission, within 45 days after such effective date, a
11 plan for accelerating the commencement of the utility's
12 meter deployment schedule approved in the final Commission
13 order on rehearing entered in Docket No. 12-0298; the
14 Commission shall reopen the most recent proceeding in which
15 it entered an order pursuant to subsection (e) of Section
16 16-108.6 of this Act and within 90 days after the utility's
17 filing shall, after notice and hearing, enter an amendatory
18 order that approves or approves as modified such
19 accelerated plan, provided that if there was no such prior
20 proceeding the Commission shall open a new proceeding and
21 within 90 days after the utility's filing shall, after
22 notice and hearing, enter an order that approves or
23 approves as modified such accelerated plan.

24 Any schedule for meter deployment approved by the
25 Commission pursuant to subparagraphs (1) or (2) of this
26 subsection (1) shall take into consideration procurement times

1 for meters and other equipment and operational issues. Nothing
2 in this amendatory Act of the 98th General Assembly shall
3 shorten or extend the end dates for the 5-year or 10-year
4 periods set forth in subsection (b) of this Section or Section
5 16-108.6 of this Act. Nothing in this subsection is intended to
6 address whether a participating utility has, or has not,
7 satisfied any or all of the metrics and performance goals
8 established pursuant to subsection (f) of this Section."
